### **Business Analyst, Den Haag Sales forecast and reporting, English**

#### **Company information**

Our customer is a leading multinational Japanese manufacturer of medical devices.

#### **Job description**

As Business Analyst, you will start up business in Europe from scratch:

- Preparing sales and gross margin based on multiple inputs such as CRM and accounting systems
- Analyzing sales and gross margin result and forecast, and make proposals
- Entering and updating sales data
- Assisting with the preparation of monthly reports
- Keeping track of sales opportunity info by contacting group companies
- Reporting to relevant stakeholders to take necessary actions

#### **Job requirements**

In order to qualify for this versatile and challenging position, required are at least the following criteria:

- Fluency in English, both oral and writing (Japanese is a plus)
- Sufficient knowledge of Excel and Excel functions to work independently
- Attention to detail to catch errors
- Analytical view on numbers
- Good knowledge of sales and gross margin accounting practices
- Ability to work independently and on a team
- Valid work permit in the Netherlands

Are you looking for this broad and challenging role? Please send your CV to Ayana Otahara ([application@nipponrecruitment.com](mailto:application@nipponrecruitment.com)) or call: +31 (0) 630137769.
